**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Invacare Corporation ("Invacare"), Adaptive Switch Laboratories, Inc. ("ASL"), and Freedom Designs, Inc. ("Freedom"), as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors") have filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements," and together with the Schedules, the "Schedules and Statements") in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court"). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and rule 1007-1 of the Bankruptcy Local Rules for the Southern District of Texas (the "Bankruptcy Local Rules").

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "Global Notes") pertain to, are incorporated by reference in, and constitute an integral part of all of the Debtors' Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

In preparing the Schedules and Statements, the Debtors relied on unaudited financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. The Debtors hereby reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Invacare Corporation (0965); Freedom Designs, Inc. (4857); and Adaptive Switch Laboratories, Inc. (6470). The corporate headquarters and the mailing address for the Debtors is 1 Invacare Way, Elyria, Ohio 44035.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Kathleen Leneghan, Chief Financial Officer of Invacare and an authorized signatory for each of the Debtors, has signed each set of the Schedules and Statements. In reviewing and signing the Schedules and Statements, Ms. Leneghan has necessarily relied upon the efforts, statements, advice, and representations of various personnel employed by the Debtors and the Debtors' legal and financial advisors. Ms. Leneghan has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. **Description of Cases and "As Of" Information Date.** On January 31, 2023 (the "Petition Date"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On February 1, 2023, the Bankruptcy Court entered an order directing procedural consolidation and joint administration of these chapter 11 cases [Docket No. 25]. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements.

To the best of the Debtors' knowledge, and except as otherwise noted, the information provided herein represents the (i) asset data of the Debtors as of the close of business on the Petition Date, and (ii) liability data of the Debtors as of the close of business on the Petition Date.

2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors,

any assertion made therein or herein, or a waiver of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.

4. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to: (a) amend and supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to the description, designation, or Debtor against which any claim against a Debtor ("Claim")² is asserted; (b) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (c) subsequently designate any Claim as "disputed," "contingent," or "unliquidated," or (d) object to the extent, validity, enforceability, priority, or avoidability of any Claim (regardless of whether such Claim is designated in the Schedules and Statements as "disputed," "contingent," or "unliquidated"). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability or amounts due or owed by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors' rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or Claims of the Debtors against any third party or issues involving Claims, substantive consolidation, equitable subordination, or defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.
 - a. **Recharacterization.** Notwithstanding the Debtors' commercially reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
 - b. **Classifications.** Listing (i) a Claim on Schedule D as "secured," (ii) a Claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as

² For the purposes of these Global Notes, the term "Claim" shall have the meaning as defined under section 101(5) of the Bankruptcy Code.

“executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors’ rights to recharacterize or reclassify such Claim or contract or to setoff of such Claim. The Debtors hereby expressly reserve the right to assert that any contract listed on the Schedules and Statements does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code, and the right to assert that any lease so listed does not constitute an unexpired lease within the meaning of section 365 of the Bankruptcy Code.

- c. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on a given Debtor’s Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtors reserve all rights to dispute, or assert offsets or defenses to, any Claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification. Additionally, the Debtors expressly reserve all rights to subsequently designate such Claims as “disputed,” “contingent,” or “unliquidated” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Moreover, listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or by any of the Debtors. The Debtors reserve all rights to amend Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to Claim description and designation.
- d. **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ materially from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in estimates or assumptions.
- e. **Causes of Action.** Despite reasonable efforts to identify all known assets, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, causes of action that are required to be kept confidential and causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all rights with respect to any causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or

unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

f. **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner; however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

g. **Insiders.** In instances where the Schedules and Statements require information regarding “insiders,” the Debtors have included information with respect to the individuals and entities who the Debtors believe may be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes only and is not intended to be, nor should it be, construed as an admission of the legal characterization of such party as an insider for purpose of section 101(31) of the Bankruptcy Code and does not act as an admission of any fact, Claim, right, or defense, and all such rights, Claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements may not be used for: (i) the purposes of determining (A) control of the Debtors; (B) the extent to which any individual exercised management responsibilities or functions; (C) corporate decision-making authority over the Debtors; or (D) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (ii) any other purpose.

h. For the avoidance of doubt, the Debtors’ restructuring is anticipated to culminate in a compromise of claims, interests in Debtors, and controversies that are included in the *Joint Chapter 11 Plan of Invacare Corporation and its Debtor Affiliates* [Docket No. 184] (as amended, supplemented, or otherwise modified from time to time, the “Plan”). The Plan is anticipated to provide finality with respect to all claims and causes of action that are or may be asserted against the Debtors. Nothing in the Schedules or Statements is intended to, shall be construed as, or shall have the effect or, modifying, changing, or otherwise affecting the Plan.

5. **Methodology.**

- a. **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.
- b. **Comprehensive Enterprise.** The Debtors utilize a central and consolidated cash management system, which consists of multiple bank accounts (the “Cash Management System”). The Debtors manage the cash within the Cash Management System by transferring funds among bank accounts as needed based on cash receipts and disbursements. As described in further detail in the *Debtors’ Emergency Motion for Entry of Interim and Final Orders (a) Authorizing the Debtors to (i) Continue to Use Their Centralized Cash Management System; (ii) Open and Close Bank Accounts; (iii) Maintain Existing Business Forms and Books and Records; and (iv) Perform and Continue Intercompany Transactions and Granting Administrative Expense Priority Status to Certain Intercompany Transactions; (b) Partially Waiving the Requirements of 11 U.S.C. 345(b); (c) Authorizing Banks to Honor Certain Related Prepetition Obligations; and (d) Granting Related Relief* [Docket No. 10] (the “Cash Management Motion”), certain payments in the Schedules and Statements may have been made by one legal entity on behalf of another legal entity through the Cash Management System. The Bankruptcy Court has entered an interim order authorizing the Debtors to continue using the Cash Management System [Docket Nos. 81] (the “Cash Management Order”). The Debtors’ treasury and accounting departments regularly reconcile the Debtors’ books and records to ensure that all transfers are accounted for properly. Thus, the Debtors’ debits and credits are known and recorded. Although diligent efforts have been made to set forth open payable amounts and Claims on the Schedules and Statements of the correct legal entity, the Debtors reserve the right to modify or amend the Schedules and Statements to update payable amounts or attribute open payable amounts and Claims to a different legal entity, if necessary or appropriate.
- c. **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Pursuant to the *Order (i) Waiving the Requirement to File a List of Equity Security Holders; (ii) Authorizing the Debtors to Redact Certain Personally Identifiable Information, (iii) Approving the Form and Manner of Notice of Commencement, and (iv) Granting Related Relief* [Docket No. 83] (the “Creditor Matrix Order”), the Bankruptcy Court has authorized the Debtors to redact certain confidential information on the Debtors’ Schedules and Statements. In addition, the Debtors may have redacted certain information where an agreement between the Debtors and a third party, concerns of confidentiality, the protection of sensitive commercial information, or concerns for the privacy of individuals, including employees, so

requires. Moreover, the very existence of certain agreements may be (by the terms of such agreements) confidential. These agreements have been noted, however, as “Confidential” in the Schedules and Statements, where applicable. The alterations or redactions are limited only to what the Debtors believe is warranted.

- d. **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
- e. **Umbrella or Master Agreements.** Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors including some agreements which may include some of the Debtors and/or non-Debtor affiliates. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement. Other Debtors and/or non-Debtors, however, may be liable instead of, or together with, such Debtor on account of such agreements, and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
- f. **Executory Contracts.** Although the Debtors have made reasonable efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G. In addition, although the Debtors have made reasonable efforts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by the counterparty to such contract or lease.
- g. **Leases.** The Debtors have not included the future obligations of any capital or operating leases in the Schedules and Statements. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F.

In the ordinary course of business, certain of the Debtors may enter into agreements titled as leases for property, other real property interests, and equipment from third party lessors for use in the daily operation of their business. Any known prepetition obligations of the Debtors for equipment or similar leases have been listed on Schedule F, the lease counterparties have been noted on Schedule D, and the underlying lease agreements are listed on Schedule G, or, if the leases are in the nature of real property interests under applicable state laws, on Schedule A. Nothing in the Schedules or Statements is, or shall be construed to be, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease, a Financing arrangement, or a real property interest), and the Debtors reserve all rights with respect to such issues.

- h. **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtors. Unless otherwise noted, the Schedules and Statements reflect net book values as of January 31, 2023. Certain assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.

The book values of certain assets may materially differ from their fair market values and/or the Debtors' enterprise valuation that will be prepared in connection with the disclosure statement to the Plan. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the industry environment and may differ materially from the actual value and/or performance of the underlying assets.

- i. **Allocation of Liabilities.** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

- j. **Operating Entity Level.** The Debtors have created operating entities that function as profit and cost centers for purposes of recording financial activities. Operating entities have been historically treated as discrete entities for accounting purposes, but such operating entities are not separate legal entities. Thus, operating entities have been separated into the relevant Debtors for purposes of reporting in the Statements and Schedules.

- k. **Undetermined Amounts.** The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.

- l. **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtors are scheduled as "unliquidated."

- m. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total.

- n. **Paid Claims.** Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases on or about February 1, 2023, the Debtors were authorized (but not directed) to pay in their discretion certain Claims on a postpetition basis; as such, outstanding liabilities may have been reduced by any Bankruptcy Court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they may not be listed in the Schedules and Statements. To the extent the Debtors later pay any amount of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.
- o. **Intercompany Claims.** As described more fully in the Cash Management Motion, the Debtors engage in a range of intercompany transactions in the ordinary course of business. Pursuant to the Cash Management Order, the Bankruptcy Court has granted the Debtors authority to continue the intercompany transactions in the ordinary course of business. The Debtors and all parties-in-interest reserve all rights with respect to such accounts. Intercompany payables among the Debtors and (i) other Debtors or (ii) their non-Debtor affiliates are reported on Schedule E/F, per the Debtors' books and records, which may or may not result in allowed or enforceable claims by or against a given Debtor. The intercompany payables also may be subject to recoupment, netting, or other adjustments made pursuant to customary intercompany policies and practices not reflected in the Schedules.
- p. **Guaranties and Other Secondary Liability Claims.** The Debtors have used their best efforts to locate and identify guaranties and other secondary liability claims (collectively, the "Guaranties") in their executory contracts, unexpired leases, debt instruments, and other such agreements. Where such Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors believe that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, other secured financing, debt instruments, and similar agreements may exist and, to the extent they do, will be identified upon further review. Therefore, the Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified.
- q. **Excluded Assets and Liabilities.** The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; deferred revenue accounts; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits. The Debtors also have excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that have not been rejected, to the extent such damage Claims exist. The Debtors have also excluded unbilled receivables, customer advances, billings in excess of cost and allowances for doubtful

accounts. The Debtors also have excluded worker's compensation Claims to maintain the privacy of the claimants. The Debtors have also excluded claims filed with their insurance carriers as this information was not available at the time of these filings. In addition, other immaterial assets and liabilities may also have been excluded.

- r. **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- s. **Property and Equipment.** Unless otherwise indicated, owned property (including real property) and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease, and the Debtors reserve all of their rights with respect thereto.
- t. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- u. **Credits and Adjustments.** The Claims of individual creditors for, among other things, goods, products, or services are listed as amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits, allowances and other adjustments.
- v. **Setoffs.** The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, and negotiations and/or disputes between Debtors and their customers and/or suppliers. These normal, ordinary course setoffs and nettings are common to the Debtors' business and are consistent with the ordinary course business of the Debtors' industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtors to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

Specific Schedules Disclosures

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtors' assets and liabilities as of the Petition Date.

For financial reporting purposes, the Debtors ordinarily prepare financial statements by operating entity. Unlike the consolidated financial statements, the Schedules reflect the assets and

liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Certain write-downs, impairments, and other accounting adjustments may not be reflected in the Schedules. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission as to the Debtor's solvency as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

1. **Schedule A/B — Assets**

Such deposits are not listed on Schedule A/B, Part 2, which has been prepared as of January 31, 2023.
 - The balances of deposits and prepayments presented on Schedule A/B, Parts 1 and 2 are as of January 31, 2023.
- c. Part 3 — Accounts Receivable.

Such adjustments are accounted for as "doubtful or uncollectible" accounts. Cash discounts reserve returns and allowance reserves, rebate reserves, volume trade discounts reserves, and

pricing reserves are not reflected in the Debtors Accounts Receivable balances. These amounts are estimates and are not assigned by customer.

- d. Part 4 — Investments are listed as having undetermined value.

- g. Part 11 — All Other Assets.
 - Listed at net book value as reflected in the Debtors' books and records as of the Petition Date, or reflected as undetermined, unless otherwise noted.
 - Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtor and Rights to Setoff Claims. In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, refunds with their customers or suppliers or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. The Debtors attempted to list known causes of action and other claims. Because certain of such claims

are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11. The Debtors' failure to list any cause of action, claim, or right of any nature is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

- Interests in Insurance Policies or Annuities. A list of the Debtors' insurance policies and related information is available in the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Continue Their Prepetition Insurance Coverage and Satisfy Prepetition Obligations Related Thereto, (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies, and (C) Continue to Pay Brokerage Fees, and (II) Granting Related Relief* [Docket No. 23]. The Debtors believe that there is little or no cash value to the vast majority of such insurance policies. Accordingly, such policies are not listed on Schedule A/B, Part 11. All current insurance policies are listed in response to Schedule A/B 73. On a consolidated basis, the Debtors eliminate intercompany accounts receivables and accounts payable. To the extent these are listed on the Schedules, these reflect the amounts listed on the Debtors' books and records as of January 31, 2023.

2. **Schedule D — Creditors Who Have Claims in Property**

- Except as otherwise agreed pursuant to a stipulation, or agreed order, or general order entered by the Bankruptcy Court that is or becomes final, the Debtors and their estates reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. Further, while the Debtors have included the results of Uniform Commercial Code searches, the listing of such results is not nor shall it be deemed an admission as to the validity of any such lien. The Debtors made reasonable, good-faith efforts to include all liens on Schedule D, but may have inadvertently omitted an existing lien because of, among other things, the possibility that a lien may have been imposed after the Uniform Commercial Code searches were performed or a vendor may not have filed the requisite perfection documentation. Moreover, the Debtors have not included on Schedule D parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights.
- Certain of the claims listed on Schedule D, as well as the Guaranties of those claims listed on Schedule H, arose and were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all of these various dates are included for each such claim. To the best of the Debtors' knowledge, all claims listed on Schedule D arose or were incurred before the Petition Date.

3. **Schedule E/F — Creditors Who Have Unsecured Claims**

a. Part 1 — Creditors with Priority Unsecured Claims.

- Pursuant to the *Order (i) Authorizing the Payment of Certain Prepetition Taxes and Related Obligations and (ii) Granting Related Relief* [Docket No. 87] (the “Taxes Order”), the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. Accordingly, any unsecured priority claims based upon prepetition tax accruals that have been paid pursuant to the Taxes Order may not be listed in Schedule E.
- Furthermore, pursuant to the *Order (i) Authorizing the Debtors to Pay Prepetition Wages and Compensation, (ii) Authorizing the Continuation of Employee Benefit Programs, (iii) Authorizing Banks to Honor and Process Checks and Transfers Related to Such Employee Obligations, and (iv) Granting Related Relief* [Docket No. 88] (the “Wages Order”), the Debtors received final authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. The Debtors believe that any non-insider employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed.
- The listing of a Claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such Claim or any portion thereof is entitled to priority status.

b. Part 2 — Creditors with Nonpriority Unsecured Claims.

- The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors’ books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of Claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor’s allowed Claims or the correct amount of all unsecured claims.
- Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtors. The amounts for potential Claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules and Statements. Known product liability claims have been listed at undetermined; however, product liability incurred but not reported claims are unknown.
- Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Schedule E/F, Part 2, does not include Claims that may

arise in connection with the rejection of any executory contracts and unexpired leases that have been or may be rejected.

- In many cases, the Claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a Claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such Claim.
- At the end of January 2023, Invacare Corporation sold its respiratory division to Ventec Life Systems, Inc., and its Top End division to Top End Sports, LLC. Certain ongoing obligations as reflected in the Asset Purchase Agreements and Transition Services Agreements related to these transactions are not reflected in the Schedules.
- The Debtors have made reasonable efforts to locate and identify Guaranties in each of the executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedules for the Debtor or Debtors affected by such Guaranties as a contingent and unliquidated obligation. The Debtors have placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Debtors reserve the right to amend the Schedules and Statements and to re-characterize or reclassify any such contract or Claim, whether by amending the Schedules and Statements or in another appropriate filing. Additionally, failure to list any Guaranties in the Schedules and Statements, including in any future amendments to the Schedules and Statements, shall not affect the enforceability of any Guaranties not listed.
- As of the time of filing of the Schedules and Statements, the Debtors had not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligations, to amend Schedules D and E/F if and as they receive such invoices.

4. **Schedule G — Executory Contracts and Unexpired Leases**

- While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred.

Additionally, in certain instances, executory contracts and unexpired leases may be omitted due to their confidential nature, but can be made available to the U.S. Trustee for the Southern District of Texas (Houston Division) on a confidential basis. Additionally, some relationships between the Debtors and certain counterparties are governed by a master services agreement, under which such counterparties also place work and purchase orders, which may be considered executory contracts. Some relationships between the Debtors and certain counterparties are governed by group purchasing agreements, under which the group purchasing counterparties contract with third-party vendors to provide goods and services to the Debtors, and such agreements may be considered executory contracts. Disclosure of these purchase and work orders, however, is impracticable and unduly burdensome. Accordingly, to the extent the Debtors have determined to disclose non-confidential master services agreements in Schedule G, purchase and work orders placed thereunder have been omitted.

- Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guaranties of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreements, which documents may not be set forth in Schedule G.
- In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.
- The Debtors reserve all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's Claim.
- Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Contracts or agreements identified on Schedule G, include all amendments, supplements, and other documents related thereto. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

5. **Schedule H** — Codebtors

- The Debtors are party to various debt agreements, which were executed by multiple Debtors. The obligations of guarantors under prepetition, secured credit agreements are noted on Schedule H for each individual debtor. Furthermore, the Debtors may not have identified certain guaranties that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. To the extent there are guaranties connected with any joint ventures to which the Debtors may be a party, such agreements are not identified in the Debtors' Schedules.

Specific Statements Disclosures

- a. Statements, Part 1, Questions 1 and 2 — The gross revenue and non-business revenue reported for the current fiscal year are through January 31, 2023.
- b. Statements, Part 2, Questions 3 and 4 — Payments to Certain Creditors. Prior to the Petition Date, the Debtors maintained a centralized Cash Management System through which Invacare and certain of its Debtor affiliates, and certain non-debtor affiliates made certain payments on behalf of other entities. Consequently, all payments to creditors and insiders listed in response to Questions 3 and 4 on each of the Debtors' Statements reflect payments made by Invacare or one of its Debtor affiliates from operating bank accounts (the "Operating Accounts"), on behalf of the corresponding Debtor, pursuant to the Debtors' Cash Management System described in the Cash Management Motion. In addition, payments listed in Statements, Part 2, Question 4 are net payments as of actual invoices and include credits and inter-company liabilities.
- c. Statements, Part 2, Question 3 — 90 Day Payments. The Debtors have responded to Statements, Part 2, Question 3 in a detailed format by creditor. The response to Statements, Part 2, Question 3 includes any disbursement or other transfer made by the Debtors except for those made to (i) insiders or other Debtors (which payments appear in response to Statements, Part 2, Question 4), (ii) non-insider employees, and (iii) bankruptcy professionals (which payments appear in response to Statements, Part 6, Question 11). In addition, the response to Statements, Part 2, Question 3 does not include checks that were either voided or not presented before the Petition Date. One of the payments is payments to Bancorp, which provides flexible spending account debit cards to certain of the Debtors' employees. Payments to Bancorp represent disbursements related to the Debtors' benefit programs. Employees make their own payments out of the funds consistent with the specific benefit program requirements.

The Debtors' accounts payable system does not include the corresponding payment clear dates, and compiling this data would have required a time-consuming manual review of individual bank statements. It is expected, however, that many payments included in Statements, Part 3 have payment clear dates that are the same as payment dates (*e.g.*, wires and other forms of electronic payments).

Further, the Debtors worked to manually review the Debtors' voluminous books and records across three unique payment systems to assemble the response to this question, and there may be instances in which a payment is not coded correctly. As a result, inadvertent errors or omissions may exist. Payments to insiders during the 90 days prior to the Petition Date that are reflected in Question 4 are not duplicated herein.

- d. Statements, Part 2, Question 4 — As described in the Cash Management Motion, the Debtors undertake netting to settle intercompany receivables and payables with certain non-Debtor subsidiaries. These disbursements were made directly to intercompany netting accounts until September 2022. Reflected herein is the Debtors' contribution to the netting transactions. Since September 2022, the Debtors have undertaken netting through a financial institution. Funds are transferred directly to the institution that makes the disbursements directly to the non-Debtor subsidiary bank accounts. Funds transferred to the institution are listed herein. In the ordinary course of business, Freedom and ASL bank accounts collect money from customers. These payments are automatically transferred (ZBA) to Invacare's concentration account. These ZBA transfers are voluminous and are not included herein. In order to fund the Debtors' maquiladora operation in Mexico, the Debtors purchase Mexican currency (Pesos). The maquiladora entity, Invamex S. de R.L. de C.V., is a non-Debtor. Invamex S. de R.L. de C.V. uses these funds to satisfy local expenses such as payroll, local vendors, etc. The company has captured these peso payment transfers herein.

In the ordinary course of business, the Debtors typically settle interest on intercompany loans according to the loan agreements. These payments are reflected in SOFA 4.

As part of the Debtors' intercompany loan arrangements, the Debtors historically have extended the maturity dates of certain intercompany loans. The Debtors also maintain foreign exchange hedging arrangements supporting such intercompany loans. Upon maturity and reissuance of these intercompany loans and the related hedge instrument, the Debtors typically settle net amounts due between the related parties.

In July 2022, the Debtors obtained new financing. Part of this financing was used to satisfy outstanding borrowings on its European ABL facility (as required by the new Term Loan financing agreement entered into in July 2022) and certain related-party financing obligations. The transfer of these funds to the relevant related parties for this purpose is reflected in SOFA 4. Pursuant to the terms of the new financing arrangements, also in July 2022, the Debtors were required to settle outstanding foreign exchange contracts with an outgoing lender and enter into new hedging arrangements supporting certain intercompany loans. As a result, the intercompany loans were required to be settled, and the Debtors effectuated a series of transactions which required significant funds to be transferred both to and from the Debtors' bank accounts. The only amounts listed on SOFA 4 are the Debtors' disbursement transactions. Historically, the Debtors did not settle intercompany transactions between United States legal entities.

The Debtors' Chief Executive Officer and Chief Human Resources Officer are officers of Invacare; however, they are both employed and paid by a non-Debtor affiliate, Invacare International GmbH, a Swiss entity, in the ordinary course of business. For this reason, their salary payments are not listed herein.

To the extent: (i) a person qualified as an "insider" in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtors have only listed those payments made while such person was defined as an insider in Statements, Part 2, Question 4.

The inclusion of a party as an "insider" is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, Claim, right, or defense, and such rights, Claims, and defenses are hereby expressly reserved.

In the ordinary course of business, certain corporate or personal credit cards may be utilized by insiders to pay for travel and business-related expenses for various other individuals employed by the Debtors. As it would be unduly burdensome for the Debtors to analyze which credit card expenses related to those incurred on behalf of an insider as opposed to another employee (or the Debtors), the Debtors have listed the aggregate amount paid for such expenses.

- e. Statements, Part 2, Question 5 — On occasion, the Debtors may return damaged, unsatisfactory or out of specification goods to vendors or suppliers in the ordinary course of business. Other than ordinary course items, the Debtors are not aware of any property that has been returned to the seller.
- f. Statements, Part 2, Question 6 — The Debtors engage in certain customer programs, including return and refund programs pursuant to which customers may receive credits. The Debtors have not scheduled such ordinary course transactions.
- g. Statements, Part 3 Question 7 — The Debtors have used reasonable efforts to report all legal actions, proceedings, investigations, arbitrations, mediations, and audits by federal or state agencies in which the Debtors were involved in any capacity within one year before the Petition Date. The Debtors reserve their rights to assert that neither the Debtors nor any affiliate of the Debtors is an appropriate party to such actions or proceedings.
- h. Statements, Part 4, Question 9 — Gifts. The amounts listed in Statements, Part 4, Question 9 were based on a manual review of items in the Debtors' books and records determined to be gifts or charitable contributions. As a result, inadvertent errors or omissions may exist. Further, other gifts may exist that are below the \$1,000 threshold per recipient that are not captured herein. In the ordinary course of business, the company undertakes sponsorship activities, and these have not been listed.
- i. Statements, Part 5, Question 10 — Amounts listed herein were for events that were reported or tracked for insurance purposes. De minimis losses are not separately tracked by the Debtors and were not included herein.
- j. Statements, Part 6, Question 11 — Payments Related to Bankruptcy. Presented herein are payments made to various professional services firms for services

rendered within one year immediately preceding the Commencement Date. The services rendered pertain to (i) debt restructuring, (ii) relief under the Bankruptcy Code, and/or (iii) preparation of bankruptcy petitions. Amounts listed reflect the total amounts paid to these respective firms as bifurcating the specific restructuring activities would be administratively burdensome. Information regarding the Debtors' retention of professional service firms is more fully described in the individual retention applications and related orders. The Debtors' non-Debtor affiliates previously engaged Alvarez & Marsal to provide services to the global organization. Fees to Alvarez & Marsal were satisfied by a non-Debtor affiliate. Listed are all payments made to Alvarez & Marsal. Of the total amount disbursed, the estimated amount attributable to the Debtors between January 31, 2022 to January 31, 2023 is \$2,358,984.35.

- k. Statements, Part 6, Question 13 — The Debtors may, from time to, transfer equipment and other assets and/or sell certain equipment and other assets to third parties. These types of ordinary course transfers have not been disclosed. The Debtors may also abandon assets in place at the locations for which they have no future use or have been unable to sell to a third party. These types of transfers have not been disclosed.

The sale of the Debtor's respiratory division to Ventec Life Systems, Inc. includes adjustments contingent on the number of units sold. Based on these number of units sold, the commissions paid to Invacare will vary.

The Debtors may, from time to time and in the ordinary course of business, transfer equipment and other assets or sell certain equipment and other assets to third parties.

- l. Statements, Part 6, Question 20 — Sales representatives of the Debtors at any given time have products, demonstration units, and other property in their possession in the ordinary course of business for sales activities. Addresses and property for this category are not included. Further, the Debtors and other non-Debtor affiliates share tooling, inventory and other production related equipment across their production facilities in the ordinary course of business. The Debtors' operations are highly integrated and such property may be required at various plant locations at different times. From time to time, such property may be shared and used at non-Debtor production facilities, and this property is not disclosed in the Statements. The Debtors have used their reasonable efforts to identify the locations of each such piece of property.
- m. Statements, Part 11, Question 21 — Certain of the Debtors' suppliers provide inventory to the Debtors on a consignment basis. Such goods are stored in the Debtors' facilities; however, ownership does not transfer until such time as the Debtors require the goods for production use.

The Debtors have made reasonable efforts to include all property held for another party. Although reasonable efforts have been made to ensure the accuracy of Statements 21, review is ongoing and inadvertent errors, omissions or overinclusion may have occurred.

- n. Statements, Part 13, Question 26(d) — Books, Records and Financial Statements. The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking such disclosures. The Debtors' financial statements are also included in their periodic securities filings and available to the public.
- o. Statements, Part 13, Question 28 — Officers, Directors, and Controlling Shareholders. The Debtors' current officers and directors are listed herein. The Debtors' controlling shareholders are not listed herein, as amounts held by shareholders may change frequently, but the Debtors submit that their substantial shareholders are any entity or individual person that has Beneficial Ownership of at least 1,699,110 shares of Common Stock (representing approximately 4.5 percent of all issued and outstanding shares of Common Stock) (as further described in the *Debtors' Emergency Motion for Entry of an Order (I) Approving Notification and Hearing Procedures for Certain Transfers of, and Declarations of Worthlessness with Respect to, Common Stock and (II) Granting Related Relief* [Docket No. 8]). Many of these holders are institutional shareholders.
- p. Statements, Part 13, Question 29 — Former Directors and Officers. Commercially reasonable efforts have been made to provide accurate and complete information regarding the former directors, managing members, general partners, members, or shareholders who were in control of the Debtors within one year before the Petition Date but who no longer hold these positions. While this information was based on a review of the Debtors' board minutes and on the best historical information available, inadvertent errors or omissions may exist.
- q. Statements, Part 13, Question 30 — Payments, Distributions, or Withdrawals Credited or Given to Insiders. Distributions by the Debtors to their members and officers are listed on the attachment to Question 4. Certain of the Debtors' members and executive officers received distributions net of tax withholdings in the year preceding the Petition Date. The amounts listed under Questions 4 reflect the gross amounts paid to such members and executive officers, rather than the net amounts after deducting for tax withholdings.
- r. Statements, Part 13, Question 32 and Statements, Part 9, Question 17 — The Debtors reserve all of their rights with respect to their responses to Statements, Part 13, Question 32 and Statements, Part 9, Question 17.

Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
